Hi, All.

I have sent email announcements about our meeting to everyone on my contact lists. I have sent a copy of the announcement to Rebecca to send to Congressional contacts. She may also send it out to state elected officials, but if not, I will.

The webpage has been updated as I sent to you last week as well as including information about the open house.

The display ad should be in the Daily Inter Lake tomorrow, and our media folks will help send the press release to local media outlets early next week.

If you have any other idea for getting the word out let me know. I have a couple of other contacts to make, but I think we are in good shape as far as outreach goes.

Thanks!
